

## Patient Armor® Blu

Patient Armor® Blu nitrile gloves' innovative design allows users to experience the benefits of unrestricted hand motion. The proprietary nitrile formula used during the manufacturing process conforms to your hand while improving upon the overall strength of the final product. They are our thinnest nitrile glove at 3.0 grams, while still strong enough to resist punctures. These soft, flexible, resilient, latex-free, powder-free gloves offer the most natural fit available on the market today. Packaged 200 gloves per box.
