

Patient Armor® Passion

Patient Armor® Passion Nitrile with Aloe & Vitamin E has what it takes to brighten any environment - from the exam room to the dental chair. The Aloe & Vitamin E coating soothes hands and helps prevent skin irritation, all the while providing enhanced protection, comfort and tactile sensitivity.

Features & Benefits

- Powder Free
- Textured Grip
- Ambidextrous
- Non-Sterile
- Soothing Aloe & Vitamin E Coating
- Enhanced Tactile Sensitivity
- Resistant to Punctures and Tears
- 100% Latex Free - but feels as comfortable as Latex
- Conforms to Hand Effortlessly
- Excellent Barrier & Chemical Resistance

Made with new formula for great stretchability. Contains no natural rubber latex proteins. Ideal for individuals who are sensitive to natural rubber proteins. High abrasion and puncture resistance. Not intended for prolonged, direct exposure to harsh chemicals. Store in cool, dry place. Open box should be shielded from exposure to direct sunlight, intense artificial light, X-ray machines & other sources of ozone.
