MSDS Identification Number		Date Issued	Issued By	Emergency Phone	IV. Fire, Explosion and Reactivity Information		
50000,50050,50100,50150,50210,50215,50240,50242,50245,50246,50248,50249,50250,50255,50270,50275,50280,50282,50285,50290,50295,50300,50350,60100,60200,60250,60500,60550,60800,60850		February 2005	OM	(805) 484-1051	Flash Point: N/A	Flammable (Explosive) Limits V/V LEL: N/A UEL: N/A	
I. Product Identification: SuperBody, SuperSyringe, SuperSticks, Cohere					Extinguishing Media	Water or foam.	
Chemical Name: Dental Impression Material Reversible Hydrocolloid			Chemical Family: Agar		Special firefighting procedures: N/A		
Trade Name: Gingi-Pak Hydrocolloid			Formula: Proprietary		Unusual fire and explosion hazards: Heated, liquid material retains heat. CAUTION-handling may cause burn.		
II. Hazardous Constituents:					General Reactivity: Stable.		
Constituent	Percent	CAS Number	NIOSH RTECS #	OSHA PEL	ACGIH TLV	Incompatibility (materials to avoid): N/A	
Agar	10%					Hazardous decomposition Products: N/A	
Water	85%						
Potassium Sulfate							
Methyl Parben	5%						
Sodium Borate							
Pigment							
Aroma							
III. Physical Data:					V. Health and Hazard Information:		
Freezing Point: 0°C		Vapor Pressure (mmHg): N/A			Primary	Inhalation: None	
Melting Point: 90-95°C		Vapor Density (AIR-1): N/A			Routes	Ingestion: None	
Boiling Point: 100°C		Specific Gravity (H ₂ O=1): N/A			Of	Skin: Avoid contact material at high temperatures.	
Sublimes: N/A		Solubility In Water: N/A			Exposure	Eyes: None	
Evaporation Rate: N/A		% Volatiles By Volume: N/A			Toxicity	Non Toxic	
Appearance and Odor: Aromatic reversible solid.					Effects of Overexposure	Acute: Handling of material at high temperatures may cause burns. Chronic: None	
					Carcinogenic References		None
					Medical Conditions Aggravated by Exposure		None

V1. Emergency and First-Aid Procedures		IX. Special Precautions	
Inhalation	Clear passages	Handling Precautions	
Ingestion	Do not induce vomiting. Consult physician.	Storage Precautions	DO NOT FREEZE.
Skin	Treat as scalding water burn. Seek medical attention.	X. DOT Shipping Requirements	
Eyes	Flush with fresh water. Seek medical attention.	Shipping Name	None
VII. Industrial Hygiene Control Measures		Identification Number	None
Ventilation	N/A	Hazard Class	None
Respiratory Protection	N/A	Labels Required	None
Protective Gloves	N/A	Product Hazard Warning Label	
Eye Protection	N/A	Caution: DO NOT boil with needle attached ! Used needles should be discarded.	
Medical Surveillance	N/A	Precaution: DO NOT FREEZE , freezing may cause constituent water to separate out and alter the performance of material.	
VIII. Environmental Protection Information		COMMENTS: This product contains Methylparaben.	
Steps to be taken if material is released or spilled.	Sweep up and dispose of properly.		
Waste Disposal Method.	Dispose of all wastes in accordance with Federal, State, and Local Regulations.		
Environmental Hazards	N/A
